

§ 573.4

manufacturer of the vehicle shall be considered compliance by all manufacturers.

(d) In the case of a defect or noncompliance decided to exist in an item of replacement equipment (except tires) compliance with §§ 573.5 and 573.6 by the brand name or trademark owner shall be considered compliance by the manufacturer. Tire brand name owners are considered manufacturers (49 U.S.C. 10102(b)(1)(E)) and have the same reporting requirements as manufacturers.

(e) In the case of a defect or noncompliance decided to exist in an item of original equipment used in the vehicles of only one vehicle manufacturer, compliance with §§ 573.5 and 573.6 by either the vehicle or equipment manufacturer shall be considered compliance by both.

(f) In the case of a defect or noncompliance decided to exist in original equipment installed in the vehicles of more than one manufacturer, compliance with § 573.5 is required of the equipment manufacturer as to the equipment item, and of each vehicle manufacturer as to the vehicles in which the equipment has been installed. Compliance with § 573.6 is required of the manufacturer who is conducting the recall campaign.

§ 573.4 Definitions.

For purposes of this part:

Act means 49 U.S.C. Chapter 301.

Administrator means the Administrator of the National Highway Traffic Safety Administration or his delegate.

First purchaser means first purchaser for purposes other than resale.

Leased motor vehicle means any motor vehicle that is leased to a person for a term of at least four months by a lessor who has leased five or more vehicles in the twelve months preceding the date of notification by the vehicle manufacturer of the existence of a safety-related defect or noncompliance with a Federal motor vehicle safety standard in the motor vehicle.

Lessee means a person who is the lessee of a leased motor vehicle as defined in this section.

49 CFR Ch. V (10–1–98 Edition)

Lessor means a person or entity that is the owner, as reflected on the vehicle's title, of any five or more leased vehicles (as defined in this section), as of the date of notification by the manufacturer of the existence of a safety-related defect or noncompliance with a Federal motor vehicle safety standard in one or more of the leased motor vehicles.

Readable form means a form readable by the unassisted eye or readable by machine. If readable by machine, the submitting party must obtain written confirmation from the Office of Defects Investigation immediately prior to submission that the machine is readily available to NHTSA. For all similar information responses, once a manufacturer has obtained approval for the original response in that form, it will not have to obtain approval for future submissions in the same form. In addition, all coded information must be accompanied by an explanation of the codes used.

[43 FR 60169, Dec. 26, 1978, as amended at 60 FR 17268, Apr. 5, 1995]

§ 573.5 Defect and noncompliance information report.

(a) Each manufacturer shall furnish a report to the NHTSA for each defect in his vehicles or in his items of original or replacement equipment that he or the Administrator determines to be related to motor vehicle safety, and for each noncompliance with a motor vehicle safety standard in such vehicles or items of equipment which either he or the Administrator determines to exist.

(b) Each report shall be submitted not more than 5 working days after a defect in a vehicle or item of equipment has been determined to be safety related, or a noncompliance with a motor vehicle safety standard has been determined to exist. Information required by paragraph (c) of this section that is not available within that period shall be submitted as it becomes available. Each manufacturer submitting new information relative to a previously submitted report shall refer to the notification campaign number when a number has been assigned by the NHTSA.
